## FEE SCHEDULE

## FEE SCHEDULE

Version 2.3 (Effective 15 January 2026)

This Fee Schedule sets out the charges applicable to access, trading, and post-trade services provided through ECM Terminal, the professional operating interface to environmental commodity markets. These fees apply to all participants granted access to ECM Terminal, including market participants, brokers, and other authorized users, and cover market access entitlements, transaction execution, and settlement-related services.

All fees are stated exclusive of VAT or other applicable taxes, which shall be charged where applicable.

### 1 MEMBERSHIP FEES

Membership fees are charged on a yearly basis and cover platform access entitlements as set out below.

Subscription Tier	Users	Fee	Scope of Service
